

Watch out — that next step is risky.

Are you prepared to take
the next step in your career?

**You know how to identify
risks in your daily life.**

**Why haven't you done
the same thing with
your career?**

Now you're ready to move from public accounting into a whole new adventure inside an organization. You'll be asked to handle strategic planning, budgeting, forecasting, risk assessment, and a host of other skills. Are you ready?

The Institute of Management Accountants offers its Certified Management Accountant program (CMA®), which will validate your knowledge of these important and necessary skills.

**Visit our website www.imanet.org/yprisk
and find out how to get prepared for the career
you want, not the one you have.**
