

Watch out—that next step is risky.

**Are you prepared to take
the next step in your career?**

**You know how to identify risks
in your daily life.**

**Why haven't you done
the same thing with
your career?**

You studied tax, financial reporting, and audit in school.

Now you're ready to move into a whole new adventure inside an organization. You'll be asked to handle strategic planning, budgeting, forecasting, risk assessment, and a host of other skills. Are you ready?

Find out what you need to know. The Institute of Management Accountants offers its Certified Management Accountant (CMA[®]) program and credential, which will validate your knowledge of these important and necessary skills.
