About Sponsor's Organization

Combining corporate cards with travel, expense management, bill payments, procurement, accounting automation and more, Ramp is on a mission to help customers save their most valuable resources – time and money. And it's working; **over 25,000 businesses on Ramp save an average 5% and close their books 8x faster.**

Ramp powers the fastest-growing corporate card and bill payment platform in America, and enables tens of billions of dollars in purchases each year.
